COMMAND HISTORY

USS CONE (DD 866)

1 JAN 1968 - 31 DEC 1968

COMMAND HISTORY
USS CONE (DD 866)
1 JANUARY-31 DECEMBER, 1968

On 1 January, 1968, CONE was moored in Subic Bay, Philippines, having just completed transit of the Pacific Ocean. USS BRYCE CANYON (AD 36) provided tender services. With combat operations imminent, there was little time for relaxation as the crew worked long hours preparing for anticipated missions in the Gulf of Tonkin.

On January 8 and 9 CONE engaged in extensive type-training in the Subic operations area in preparation for assignment to the Southern Search and Rescue (SSAR) unit in the Gulf of Tonkin. Maximum usage was made of the gunnery range at Tabones, and the ship's proficiency at helo-in-flight refueling was perfected.

CONE and DEWEY departed Subic Bay on 13 January and arrived in Da Nang on the fifteenth. The day was devoted to operational briefings and some further type-training before getting underway for Southern SAR station on the sixteenth.

As a unit of TE 77.0.1.2 with COMDESDIV FOUR TWO as Task Element Commander, CONE spent 11 days on Southern Search and Rescue in company with DEWEY. During this time CONE assisted in the recovery of 6 aviators in three separate incidents.

On the twenty-ninth, CONE departed SSAR and steamed independently to Kao-Hsiung, Taiwan, where she remained until 6 February. During that period USS HECTOR (AR 7) provided another tender availability. As an interesting liberty port, Kao-Hsiung rated high on the list of both officer and enlisted personnel.

CONE departed Kao-Hsiung on the sixth, enroute to provide Gun Fire Support for the 3rd Marine Division operating just south of the Demilitarized Zone separating North and South Vietnam. On 8 February, CONE fired her guns in anger for the first time since commissioning in 1945. The long hours of gunnery practice proved their worth. This period on the "gunline" coincided with the North Vietnamese build-up prior to the TET offensive and there was a great demand for gunfire from the destroyers patrolling off the DMZ. In 11 days of round-the-clock operations, CONE fired an average of 680 rounds per day for a total expenditure of 7501 rounds. The many underway replenishments and rearmings, some conducted at night and under poor weather conditions, as well as the long hours of firing, were a test of human stamina. CONE departed the gunline on 19 February. All hands were proud of the numerous messages received from Marine Corps spotters praising the effectiveness of the ship's gunfire.

CONE joined the attack carrier USS KITTY HAWK (CVA 63) and her escorts in the Gulf of Tonkin. As an escort for KITTY HAWK, CONE served as a surface rescue vessel during launch and recovery of attack aircraft. Commanding Officer, USS CONE (DD 866) assumed tactical command of the task element comprised of KITTY HAWK escorts. KITTY HAWK and her escorts departed Yankee Station on 26 February for a period of upkeep in Subic Bay, Philippines. USS AJAX (AR 6) provided tender services to CONE from 23 February until 2 March, when KITTY HAWK and her escorts departed Subic Bay to return to operations on Yankee Station in the Gulf of Tonkin. During the upkeep period, USS MC CARD (DD 822), also of Destroyer Squadron FOUR, joined the Task Unit as an escort.

CONE terminated Surface Rescue Operations with KITTY HAWK on 4 March and proceeded to station off the coast of North Vietnam where she operated

as Commander Task Unit 70.0.4, conducting both picket station duties and combined operations with Sea Dragon forces employed in Gunfire Support Missions north of the De-militarized Zone. Other units participating in Sea Dragon, at that time, were USS HOEL (DDG 13) and USS BLUE (DD 744).

Relieved of Southwest Picket Station and Sea Dragon duties on 7 March, CONE proceeded to II Corps Tactical Zone south of Da Nang to provide Gunfire Support for Korean Forces in that area. CONE fired 1865 rounds prior to departure on 17 March.

For the next two weeks, CONE successively escorted USS BON HOMME RICHARD (CVA 31), USS RANGER (CVA 61), and USS KITTY HAWK (CVA 63), each engaged in Yankee Station operations.

On March 27, CONE in company with USS KITTY HAWK and USS MC CARD departed Yankee Station enroute to Yokosuka, Japan, arriving there on 1 April 1968. After a concentrated effort by the crew, CONE successfully completed an INSURV inspection on the 4th and 5th of April. Leaving Yokosuka with KITTY HAWK on 8 April, CONE returned to Yankee Station on the 12th and, in company with another DESDIV 41 ship, USS BORDELON (DD 881), served as rescue destroyer and Screen Commander for USS KITTY HAWK in support of strike operations. CONE departed Yankee Station on 17 April for her final tour on the "gunline."

Arriving in I Corps Tactical Zone on 18 April, CONE's main armament was again employed in support of Marine Forces in the Zone. Before departing the area on the 30th, CONE fired 2950 rounds bringing her grand total of 5³⁸ cal. rounds fired during the deployment to 12,881.

CONE returned to Yankee Station and operations with USS KITTY HAWK on 1 May 1968. On 2 May, KITTY HAWK and escorts departed the Gulf of Tonkin arriving in Subic Bay, Philippines on the 3rd for a brief stop prior to proceeding to Hong Kong. CONE anchored in the harbor of Hong Kong early

In the morning on the 5th of May and all hands went ashore with their shopping lists to enjoy the crowded streets and shops of this famous International trading center.

CONE departed Hong Kong on 11 May and arrived in Yokosuka, Japan on the 15th after stopping briefly for fuel at Okinawa. Many of the ship's company used this final opportunity to see Japan and tours of all types were fully subscribed.

Yokosuka was the point of reunion for the Task Unit and CONE started the long trip home on 20 May in company with USS DEWEY (DLG 14) and JAMES C. OWENS (DD 776), with COMDESDIV FOUR TWO embarked in DEWEY. After refueling at Midway Island on the 25th, the transit unit arrived in Pearl Harbor, Hawaii on 28 May. Departing for San Diego, California on the 31st, CONE, DEWEY and OWENS were joined by USS JOHNSTON (DD 821), thus reuniting Destroyer Division Forty-Two for the remainder of the homeward journey.

The Division arrived in San Diego on 6 June. Departing San Diego on 10 June the Division transited the Panama Canal on the 18th.

CONE arrived at Pier Papa, Charleston, on 22 June 1968. Needless to say, happy reunions were the order of the day, followed by numerous farewells as many crewmembers went to civilian life and others departed on leave and then to new duty stations.

CONE was once again underway on 31 July for special operations. After a brief stop at Key West, Florida on 2 August, a liberty weekend followed in Fort Lauderdale, Florida. CONE departed Fort Lauderdale on 5 August and, while enroute, exercised her AAW capability by firing at target drones. CONE returned to Charleston on 6 August.

On the 9th of August, CONE's fantail was the stage for the Pacific

Deployment awards ceremony. Two Navy Commendation Medals with Combat "V", five Navy Achievement Medals with Combat "V", sixteen letters of Commendation from Commander SEVENTH Fleet, and Twelve citations from Commander Cruiser-Destroyer Group, SEVENTH Fleet were presented.

On 8 October, one brief chapter of CONE's history was closed, CONE's two Drone Anti-Submarine Helicopters (DASH) were off-loaded for the last time.

On the 13th of November, CONE berthed at the Naval Shipyard, Charleston, S. C. Regular Overhaul began on 18 November 1968, the crew settled into a regular routine of repair and maintainance, aided by the capable and industrious shipyard personnel.

CONE's forward 5"/38 twin gun-mount was removed on 6 December, having fired over 6000 rounds in WESTPAC.

On Friday the 13th of December CONE passed the sill of Drydock number One, Charleston Naval Shipyard and gently settled onto the keel blocks where she remained to greet the new year.

THE CHARLESTON, S.C. BASED DESTROYER USS CONE (DD 866) WAS INVOLVED IN SEVERAL SEARCH AND RESCUE (SAR) INCIDENTS IN THE WESTERN PACIFIC ON 24 JAN 1963.

AN ALL WEATHER ATTACK-BOMBER FLYING FROM A U. S. AIRCRAFT CARRIER BECAME DISABLED AND THE CREW WAS FORCED TO BAIL OUT. CONE, IN COMPANY WITH THE NORFOLK BASED GUIDED MISSILE DESTROYER USS DEWEY (DLG 14) SPED TO THE IMPACT AREA AND READILY LOCATED THE PILOT IN HIS LIFERAFT. THE PILOT WAS PUT ABOARD DEWEY, WHO HAD SPECIAL ACCOMODATIONS FOR RESCUED FLIERS. CONE EXECUTED TACTICAL SEARCH PLANS FOR THE NAVIGATOR OF THE AIRCRAFT AS SOON AS THE PILOT WAS SAFELY ABOARD THE DEWEY. NUMEROUS BITS AND PIECES OF THE AIRCRAFT WERE RETRIEVED, INCLUDING PARTS OF THE WING AND TAIL ASSEMBLIES. THE NAVIGATOR'S HELMET WAS RECOVERED ADDING TO THE ARNEST HOPES OF ALL HANDS THAT HE WOULD BE FOUND ALIVE AND SAFE. SEARCH AIRCRAFT AND HELICOPTERS FROM AIRCRAFT CARRIERS OPERATING NEARBY ASSISTED IN THE SEARCH INTO THE LATE HOURS OF THE NEXT DAY. HOWEVER, THE NAVIGATOR WAS NOT FOUND. EARLIER ON THE 24TH A SEARCH AND RESCUE HELICOPTER CRASHED AT SEA WHILE ON A ROUTINE EQUIPMENT CHECK FLIGHT, AND CONE ASSISTED IN THE RECOVERY OF THE HELICOPTER'S CREW. ALL FOUR CREW MEMBERS OF THE HELICOPTER'S CREW WERE RECOVERED SAFELY AND EXPEDITIOUSLY RETURNED TO DEWEY. BOTH SHIPS ARE UNDER THE TACTICAL COMMAND OF CAPTAIN JOHN J. TICE, III, COMMANDER DESTROYER DIVISION FOUR TWO, WHO RESIDES IN (b) (6). CONE, COMMANDED BY COMMANDER ARTHUR CODAY OF (b) (6) RECENTLY COMPLETED TWO WEEKS OF SEARCH AND RESCUE PATROLS AND WAS INVOLVED IN THE RECOVERY OF SEVERAL DOWNED AIRMEN, COMMANDER CODAY CALLED ON CAPTAIN D. W. SCHERMERHORN, COMMANDER DESTROYER SQUADRON FOUR, WHO WAS EMBARKED IN THE MANLEY WHILE CONE'S PREVIOUS EXECUTIVE OFFICER, LCDR F. C. DUGAN, III, WHO IS PRESENTLY ON THE COMMODORE'S STAFF, RETURNED TO CONE FOR A BRIEF VISIT WITH THE OFFICERS AND MEN HE HAD RECENTLY SERVED WITH. THE PEOPLE OF KAOHSIUNG SPREAD OUT THE WELCOME MAT FOR THE MEN OF CONE AND ALL HANDS HAD THE OPPORTUNITY TO SPEND TIME ON A WELL DESERVED LIBERTY AFTER MANY DAYS OF ARDUOUS SEA DUTY. 9 FEBRUARY 1968

NEWS RELEASE

AT 1050 ON THE 8TH OF FEBRUARY 1968, THE CHARLESTON, S.C. BASED DESTROYER USS CONE (DD 866) FIRED HER FIRST SHOTS AT ENEMY POSITIONS IN VIETNAM. WHILE THE SHIP WAS WAITING FOR MARINE CORPS SPOTTERS TO ASSIGN THE NEXT MISSION, THE SHIP'S HISTORIAN LTJG (b) (6) OF (b) (6)

(b) (6) REPORTED THAT THE SHIP'S HISTORY SHOWED THAT THIS WAS IN FACT THE FIRST SHOT USS CONE HAD FIRED IN ANGER SINCE HER COMMISSIONING IN 1945. DURING THE NEXT TWELVE HOURS CONE FIRED APPROXIMATELY 645 ROUNDS OF FIVE INCH CALIBER AMMUNITION IN SUPPORT OF THE THIRD MARINE DIVISION OPERATION IN SOUTH VIETNAM IN THE VICINITY OF THE DEMILITARIZED ZONE.

CONE, COMMANDED BY COMMANDER ARTHUR CODAY OF (b) (6) WAS CREDITED WITH DIRECT HITS ON SIX STRUCTURES AND STARTING FOUR LARGE FIRES WHILE FIRING ON NORTH VIETNAMESE ARMY POSITIONS IN SOUTH VIETNAM FIFTY MILES NORTHWEST OF THE CITY OF HUE. THE SUCCESS OF THE MISSION WAS EVIDENT WHEN THE GUNFIRE SUPPORT SPOTTER ASHORE REPORTED "YOUR SHOOTING WAS OUTSTANDING, SOME OF THE BEST SHOOTING THAT I HAVE HAD SINCE I'VE BEEN OVER HERE. SURE HOPE YE CAN GET TOGETHER TO SHOOT AGAIN SOMETIME".

THE WEAPONS OFFICER, LT. (b) (6) OF (b) (6), CONGRATULATED HIS GUN CREWS ON THEIR PERFORMANCE. AFTERWARDS, IT WAS DISCOVERED THAT ONE OF THE REASONS FOR CONE'S UNUSUALLY HIGH RATE OF FIRING WAS THAT ALL THE SHIP'S CHIEF PETTY OFFICERS HAD VOLUNTARILY ASSIGNED THEMSELVES TO THE AMMUNITION PASSING CREWS. THIS UNUSUAL FACT CAME TO LIGHT WHEN THE COMMANDING OFFICER ADMINISTERED THE REENLISTMENT OATH TO CHIEF (b) (6)

(b) (6) OF (b) (6) IMMEDIATELY AFTER SECURING FROM SHORE BOMBARDMENT. THE CAPTAIN ASKED CHIEF (b) (6) WHY HE HAD SO MUCH GREASE ON HIS HANDS AND THE TRUTH CAME TO LIGHT. COMMANDER CODAY WAS HEARD TO REMARK THAT THIS WAS A FITTING GESTURE TO MARK CONE'S FIRST DAY ON THE

GUNLINE. AS A UNIT OF DESTROYER DIVISION FOUR TWO, COMMANDED BY CAPTAIN J. J. TICE, AND OF DESTROYER SQUADRON FOUR COMMANDED BY CAPTAIN D. V. SCHERMERHORN, CONE IS ONE OF SEVEN CHARLESTON BASED DESTROYERS CURRENTLY OPERATING IN SUPPORT OF UNITED STATES AIMS IN VIETNAM. CONE IS THE FLAGSHIP OF DESTROYER DIVISION FOUR TWO AND DEPARTED CHARLESTON ON 15 NOVEMBER 67.

10 FEBRUARY 1968

NEW RELEASE

WHILE OPERATING OFF THE COAST OF SOUTH VIETNAM ON 9 FEBRUARY 1968, FIVE MILES SOUTH OF THE DEMILITARIZED ZONE, THE CHARLESTON S.C. BASED DESTROYER USS CONE (DD 866) FIRED 734 ROUNDS OF FIVE INCH CALIBER AMMUNITION IN SUPPORT OF THE THIRD MARINE DIVISION. CONE, COMMANDED BY COMMANDER ARTHUR CODAY OF (b) (6) WAS NOTIFIED BY THE GUNFIRE SUPPORT SPOTTER ASHORE THAT THE RESULTS OF CONE'S BOMBARDMENT WERE OUTSTANDING. HAVING DESTROYED ELEVEN STRUCTURES, WHILE CAUSING FOUR SECONDARY EXPLOSIONS IN ENEMY MORTAR POSITIONS, AND STARTING NINE SIGNIFICANT FIRES IN CONFIRMED NORTH VIETNESE ARMY POSITIONS. THE FIRES BURNED SO BRILLIANTLY THAT THE SPOTTER INFORMED CONE THAT EVERYBODY WAS "UP WATCHING THEM" AND REQUESTED THAT HE BE SENT 9000 MARSHMELLOWS. CONE IS A UNIT OF DESTROYER DIVISION FOUR TWO COMMANDED BY CAPTAIN J. J. TICE AND ONE OF SEVEN DESTROYERS OF DESTROYER SQUADRON FOUR, COMMANDED BY CAPTAIN D. V. SCHERMERHORN, PRESENTLY OPERATING WITH THE SEVENTHFLT OFF VIETNAM.

11 FEBRUARY 1968

NEWS RELEASE

THE GENERAL PURPOSE DESTROYER USS CONE (DD 866) COMMANDED BY COMMANDER CODAY OF (b) (6), IS PRESENTLY OPERATING OFF THE COAST OF SOUTH VIETNAM IN SUPPORT OF THE THIRD MARINE DIVISION IN THE VICINITY OF THE DEMILITARIZED ZONE. CONE DEPARTED FROM HER HOMEPORT OF CHARLESTON ON 15 NOVEMBER 1967 WITH DESTROYER DIVISION FOUR TWO, COMMANDED BY CAPTAIN J. J. TICE, AND IS ONE OF THE SEVEN DESTROYERS OF DESTROYER SQUADRON FOUR, COMMANDED BY CAPTAIN D. V. SCHERMERHORN, CURRENTLY OPERATING OFF THE COAST OF VIETNAM. PRESENTLY ASSIGNED TO WHAT HAS BECOME KNOWN AS THE GUNLINE, CONE'S PRIMARY MISSION IS THE BOMBARDMENT OF ENEMY POSITIONS AS ASSIGNED BY MARINE CORPS SPOTTERS ASHORE. THESE POSITIONS VARY FROM CONFIRMED OR SUSPECTED NORTH VIETNAMESE ARMY ARTILLERY AND MORTAR SITES TO TROOP CONCENTRATIONS AND SUPPLY ROUTES. EXPECTED TO BE READY TWENTY-FOUR HOURS A DAY TO FIRE ON A MOMENTS NOTICE MAKES IT ESPECIALLY DIFFICULT FOR THE MEN OF CONE. THE RATE OF FIRE MAKES IT NECESSARY TO REARM AT SEA FROM AMMUNITION SHIP AT LEAST EVERY OTHER DAY. NORMALLY AT NIGHT, AN EVOLUTION WHICH REQUIRES A TEAM EFFORT BY ALL HANDS. IT IS ALSO NECESSARY TO REFUEL AND TO RESUPPLY THE SHIP AT SEA ONCE AGAIN REQUIRING AN ALL OUT EFFORT ON THE PART OF THE CREW. SLEEP IS AT A PREMIUM AND EVERY DAY BRINGS LONG, HARD HOURS OF WORK FOR THE 277 MEN AND 18 OFFICERS OF CONE. YET ONE RARELY HEARS A COMPLAINT AND ALL HANDS ARE PREPARED TO GIVE THEIR UTMOST IN ORDER TO HELP PROTECT THE LIVES OF OUR MARINE COMRADES ASHORE. AS COMMANDER CODAY RECENTLY EXPRESSED IN A LETTER TO THE FAMILIES OF THE MEN OF CONE "TIME AND TIME AGAIN I HAVE REMARKED THAT THIS GENERATION OF YOUNG AMERICANS WHO MAN CONE ARE THE MOST HIGHLY SKILLED, MOTIVATED, AND INDUSTRIOUS GENERATION EVER PRODUCED. WITH THESE MEN AND YOUR SUPPORT AMERICA CAN NEVER FAIL IN ANY OF HER ENDEAVORS".

DURING A MISSION ON THE NIGHT OF 12 FEBRUARY 1968, CONE FIRED 256 ROUNDS INTO AN ENEMY POSITION OCCUPIED BY THE VIET CONG AND AS THE LOCATION OF NUMEROUS CONFIRMED ENEMY MORTOR SITES. THE TARGET COVERAGE PROVIDED BY CONE WAS EXCELLENT CAUSING THE MARINE GUNFIRE SUPPORT SPOTTER ASHORE TO COMMENT, QUOTE I WOULD LIKE TO SAY THAT THIS HAS BEEN AN OUTSTANDING MISSION... ALL ROUNDS WERE ON TARGET... THE SPOTS TOOK PERFECT EFFECT... IT WAS THE FASTEST (RATE OF FIRE) SHOOTING THAT WE HAVE EVER SEEN HERE AND IN ALL BY FAR THE BEST NAVAL GUNFIRE I HAVE EVER SEEN OUT HERE (VIETNAM) UNQUOTE. THESE FIRST FIVE DAYS ON THE GUNLINE HAVE SEEN CONE FIRING OVER 3000 ROUNDS OF AMMUNITION, A FEAT WHICH COULD ONLY HAVE BEEN ACCOMPLISHED BY A MAXIMUM EFFORT BY ALL HANDS WHO SACRIFICE MANY HOUR OF SLEEP IN ORDER TO SUPPORT OUR MARINE TROOPS ASHORE.

NEWS RELEASE

DURING THE PERIOD FROM MIDNIGHT 17 FEBRUARY 1968 TO 0600, 19 FEBRUARY 1968, THE ATLANTIC FLEET, CHARLESTON, SOUTH CAROLINA BASED DESTROYER USS CONE (DD 866) EXPENDED 1070 ROUNDS OF AMMUNITION WHILE ON DUTY AS A NAVAL GUNFIRE SUPPORT SHIP WITH THE THIRD MARINE DIVISION SOUTH OF THE DEMILITARIZED ZONE. RESPONDING TO SIXTEEN CALL-FOR-FIRE MISSIONS REQUESTED BY THE MARINE SPOTTERS ASHORE, ENEMY TARGETS INCLUDING KNOWN NORTH VIETNAMESE ARMY TROOP CONCENTRATIONS IN BATTALION STRENGTH, ACTIVE MORTAR AND ARTILLERY POSITIONS, AND MECHANIZED INFILTRATION ROUTES WERE TAKEN UNDER FIRE BY THE TWO TWIN FIVE INCH CALIBER GUN MOUNTS OF CONE. THE MARINE SPOTTERS REPORTED THAT THE TARGET COVERAGE WAS IN MOST CASES OUTSTANDING AND NEVER LESS THAN EXCELLENT. DURING HER ELEVEN DAY TOUR OF DUTY ON THE GUNLINE, CONE COMMANDED BY COMMANDER ARTHUR CODAY OF (b) (6), FIRED SEVEN THOUSAND FIVE HUNDRED AND ONE ROUNDS OF FIVE INCH CALIBER AMMUNITION. COMMENTING ON THIS PERFORMANCE, COMMANDER CODAY STATED IN A MEMORANDUM TO THE CREW OF CONE QUOTE THE SEVEN THOUSAND FIVE HUNDRED ROUNDS FIRED DURING THE ELEVEN DAY PERIOD AT KNOWN ENEMY POSITIONS ARE A MEASURE OF YOUR WILLINGNESS TO WORK TO THE LIMITS OF ENDURANCE. NO ONE WHO HAS NOT BEEN HERE WILL KNOW HOW MUCH EFFORT WAS EXPENDED MERELY HANDLING SO MANY TONS OF AMMUNITION. NO ONE NOT HERE CAN PROPERLY APPRECIATE WHAT IT MEANS TO STAND WATCH FOR SIX HOURS ON THE LINE, FIRING CONTINUOUSLY, THEN WORK FOR SIX HOURS MORE TAKING AMMUNITION ABOARD AT SEA IN A PITCH BLACK NIGHT WITH GREEN WATER DRENCHING US TO THE SKIN, AND THEN BACK ON WATCH FOR SIX MORE HOURS-- IF I HAD NOT TIMED THE ROUNDS MYSELF I WOULD NEVER BELIEVE THAT THE GUN CREWS COULD ACHIEVE A RATE OF FIRE OF ONE ROUND PER GUN EVERY TWO AND ONE HALF SECONDS. NEVERTHELESS THIS IS WHAT WE DID WHENEVER THE SPOTTERS

CAUGHT ENEMY TROOPS IN THE OPEN AND TIME WAS PRECIOUS---I BELIEVE OUR FINEST MOMENT, A TEXTBOOK LESSON ON THE EFFECTIVENESS OF NAVAL GUNFIRE, CAME WHEN CONE'S SALVOS CAUSED THE ENEMY TROOPS WHO INFILTRATED A VILLAGE IN LARGE NUMBERS, TO BREAK AND RUN FOR THE TREES. OBJECTIVE ACHIEVED WITHOUT RISKING THE LIFE OF A SINGLE MARINE. UNQUOTE.

THE NAVAL GUNFIRE LIAISON OFFICER OF THE THIRD MARINE DIVISION SENT THE FOLLOWING MESSAGE TO THE MEN OF CONE QUOTE YOUR CONSTANT QUICK RESPONSE, AND SPIRIT OF ENTHUSIASM HAS BEEN A TREMENDOUS ASSET TO OUR JOINT EFFORTS. YOU ARE A FINE SHOOTING SHIP. IT'S BEEN A PLEASURE HAVING YOU ON THE LINE. HOPE TO SEE YOU AGAIN SOON. WELL DONE. UNQUOTE. CONE, A UNIT OF DESTROYER SQUADRON FOUR, COMMANDED BY CAPTAIN DALE V. SCHERMERHORN, HAS NOW DEPARTED THE GUNLINE FOR OTHER DUTIES WITH THE SEVENTH FLEET. THE SHIP DEPARTED CHARLESTON ON 15 NOVEMBER 1967 AS THE FLAGSHIP OF DESTROYER DIVISION FOUR TWO, COMMANDED BY CAPTAIN JOHN J. TICE.

CONE DIRECTED HER GUNFIRE AGAINST ENEMY SUPPLY DUMPS AND ASSEMBLY POINTS LOCATED IN THIS MOUNTAINOUS TERRAIN ALONG THE SOUTH VIETNAM COAST. ON ONE MISSION, CONE'S SALVOS CAUSED NUMEROUS FIRES IN A THICK WOODED AREA SUSPECTED AS AN ENEMY CONCENTRATION AND SUPPLY CENTER. FLYING DEBRIS AND CLOUDS OF REDDISH SMOKE WERE READILY VISIBLE FROM THE BRIDGE OF THE SHIP, FOLLOWED BY SPURTS OF FLAME. IN A SHORT TIME AN AREA ESTIMATED BY THE SPOTTER TO COVER THIRTY ACRES WAS ABLAZE. THE U. S. ARMY AIR SPOTTER OPERATING WITH THE ROK TROOPS, STATED AT THE END OF THE AFTERNOON MISSIONS QUOTE EXCELLENT TARGET COVERAGE. THIS HAS BEEN REALLY THE FINEST SHOOTING THAT I HAVE SEEN SINCE I HAVE BEEN HERE. INITIAL ROUNDS WERE TIGHTLY GROUPED UNQUOTE. CONE, COMMANDED BY COMMANDER A. CODAY, IS HOMEPORTED IN CHARLESTON, S. 14 MARCH 1968

NEWS RELEASE

AT DAWN ON 13 MARCH 1968, THE ATLANTIC FLEET DESTROYER, USS CONE (DD 866) BOMBARDED A VIET CONG STRONG POINT SIX MILES NORTH NORTH EAST OF TUY HOA IN WHAT WAS THE OPENING ROUND OF A JOINT SEA, AIR AND LAND ASSAULT. THE FIRST STREAKS OF DAWN WERE DIMMING THE STARS AS CONE SLIPPED SILENTLY INTO POSITION, THE SHIP COMPLETELY DARKENED TO AVOID OBSERVATION BY POSSIBLE ENEMY EYES AS THE VIET CONG POSITIONS WERE CUT INTO THE SLOPES OF A HILL OVERLOOKING THE BEACH. WITH THE RADAR NAVIGATION TEAM ACCURATELY FIXING THE SHIPS' POSITION, VITAL INFORMATION WAS FED TO THE COMPUTERS AND IN MOMENTS THE SHIP'S TURRETS SWUNG TOWARD THE TARGET AND THE GUN BARRELS LIFTED TO THE COMPUTED ELEVATION. TERSELY THE WORD WENT OUT FROM THE SHIP'S COMBAT INFORMATION CENTER TO THE MARINE CORPS SPOTTER ASHORE, "READY". THE SECOND HAND ON THE CLOCK CAME TO THE MINUTE, THE REPLY CAME BACK, "FIRE". SALVO AFTER SALVO CRASHED OUT AS THE SPOTTER DIRECTED THE SHIP'S FIRE PRECISELY WHERE IT WAS NEEDED. AS THE SECOND HAND PASSED THE THREE MINUTE MARK, THE COMMAND CAME OVER THE AIR, "CHECK FIRE". WITHIN SECONDS AFTER THE LAST ROUNDS HAD BURST ON THE TARGET, U. S. ARMY HELICOPTERS STREAMED OVER THE AREA, ROCKETS AND TRACERS POURING DOWN. NOW THOSE TOPSIDE ON CONE WERE TREATED TO A RINGSIDE SEAT AS THE AIRCRAFT CRISS-CROSSED BACK AND FORTH. SUDDENLY THEY TOO WERE SILENT AND A FLIGHT OF HELICOPTERS DROPPED DIRECTLY INTO THE AREA, DISEMBARKING TROOPS OF THE REPUBLIC OF KOREA MARINES. NOW IT WAS CONE'S TURN TO PARTICIPATE AGAIN AS THE SPOTTER CALLED FOR SATURATION FIRE ON OUTLYING ENEMY POSITIONS. IT WAS ALL OVER BEFORE SUNRISE. THE TARGET AREA SECURED, CONE'S GUNS FELL SILENT. THE SPOTTER COMPLIMENTED THE SHIP FOR A TASK WELL DONE AND NINE ENEMY STRUCTURES WERE OFFICIALLY LISTED AS DESTROYED BY THE SHIP'S GUNS. THE WORK WAS PASSED TO ALL HANDS "SECURE FROM BATTLE STATIONS,

BREAKFAST FOR THE CREW". CONE DEPARTED HER HOMEPORT OF CHARLESTON, S.C. ON 15 NOVEMBER 1957 AS THE FLAGSHIP OF DESTROYER DIVISION FOUR TWO, COMMANDED BY CAPTAIN JOHN J. TICE III, FOR OPERATIONS WITH SEVENTH FLEET. SINCE FIRING HER FIRST SHOT IN COMBAT ON 8 FEBRUARY 1968, CONE, COMMANDED BY COMMANDER ARTHUR CODAY, HAS EXPENDED FIVE INCH CALIBER AMMUNITION ON ENEMY POSITIONS IN NORTH AND SOUTH VIETNAM.

14 MARCH 1968

NEWS RELEASE

WHILE FIRING ON VIET CONG POSITIONS ELEVEN MILES NORTHEAST OF PHAN THIET, THE CHARLESTON SOUTH CAROLINA BASED DESTROYER USS CONE (DD 866) EXPENDED HER NINE THOUSANDTH ROUND OF FIVE INCH CALIBER AMMUNITION ON ENEMY POSITIONS IN VIET NAM. DURING THIS MISSION ON 14 MARCH 1968, CONE, COMMANDED BY COMMANDER ARTHUR CODAY, SCORED DIRECT HITS ON A RIVER FORD WHICH HAS BEEN IN USE BY THE VIET CONG AS A VITAL LINK IN THEIR SUPPLY SYSTEM. CONE WAS ALSO CREDITED WITH EXTENSIVELY DAMAGING A VIET CONG SUPPLY TRAIL AND SECTIONS OF AN ENEMY TRENCH LINE. IN AN EFFORT TO DESTROY ALL ENEMY INSTALLATIONS IN THE TARGET AREA, THE MARINE AIR SPOTTER, TAKING ADVANTAGE OF HIGH WINDS, DIRECTED THE SHIP'S ROUNDS INTO AREAS OF HEAVY BRUSH WHICH CAUGHT FIRE. FANNED BY THE WIND, THE FIRES QUICKLY SPREAD AND BURNED OVER SIXTY ACRES. AT LEAST ONE SECONDARY EXPLOSION WAS OBSERVED THRU THE OBSCURING SMOKE. A VIET CONG SANCTUARY HAD BEEN NEUTRALIZED. WHEN INFORMED OF THE FACT THAT CONE HAD JUST FIRED HER 9000TH ROUND, THE SPOTTER REPORTED QUOTE YOUR 9000TH ROUND WAS RIGHT ON TARGET UNQUOTE.

CONE HAS BEEN ENGAGED IN VIET NAM OPERATIONS SINCE REPORTING FOR DUTY WITH THE SEVENTH FLEET IN JANUARY 1968. THE SHIP IS A UNIT OF DESTROYER SQUADRON FOUR, COMMANDED BY CAPTAIN DALE V. SCHERMERHORN, AND OF DESTROYER DIVISION FOUR TWO, COMMANDED BY CAPTIAN JOHN J. TICE III.

15 MARCH 1968

NEWS RELEASE

AT EXACTLY 1500 ON 15 MARCH 1968, THE ATLANTIC FLEET DESTROYER USS CONE (DD 866) COMMENCED BOMBARDMENT OF VIET CONG POSITIONS 21 MILES SOUTHWEST OF CAM RANH BAY WHILE SUPPORTING THE REPUBLIC OF KOREA MARINES. TAKING VIET CONG ASSEMBLY AND BIVOUAC AREAS UNDER FIRE WITH HER FIVE INCH CALIBER MAIN BATTERY, CONE'S GUNFIRE WAS EXPERTLY ADJUSTED FROM TARGET TO TARGET BY A U. S. MARINE SPOTTER FLYING ABOVE THE AREA IN A LIGHT OBSERVATION AIRCRAFT. SINCE SOME OF THE TARGETS WERE LOCATED HIGH ON THE SLOPES OF THE HILLS OVERLOOKING THE SEA, CONE PERSONNEL HAD A RARE OPPORTUNITY TO OBSERVE AT CLOSE RANGES THE ACTUAL FALL OF SHOT AS THE SHELLS IMPACTED THE TARGET AREA. TWO HOURS AND TWENTY TWO MINUTES LATER THE MISSION WAS TERMINATED AS THE SPOTTER WAS RUNNING LOW ON FUEL. CONE, COMMANDED BY COMMANDER BY COMMANDER ARTHUR CODAY, WAS ACCREDITED WITH EXCELLENT TARGET COVERAGE WHICH CAUSED AT LEAST EIGHT SEPARATE FIRES AND TWO SECONDARY EXPLOSIONS. AS THE FLAGSHIP OF CAPTAIN JOHN J. TICE III, COMMANDER DESTROYER DIVISION FOUR TWO, CONE DEPARTED HER HOMEPORT OF CHARLESTON, S. C. ON 15 NOVEMBER 1967. CONE IS A UNIT OF DESTROYER SQUADRON FOUR WHICH IS COMPOSED OF SEVEN DESTROYERS COMMANDED BY CAPTAIN DALE V. SCHERMERHOFN. 16 MARCH 1968

NEW RELEASE

NINE CREW MEMBERS OF THE CHARLESTON, S.C. BASED DESTROYER USS CONE (DD 866) RECENTLY SPENT TWO DAYS ON BOARD A U. S. NAVY SWIFTBOAT OPERATING IN SOUTH VIETNAM. THE OPPORTUNITY OCCURED UNEXPECTEDLY ON 11 MARCH AS THE CONE PERSONNEL WERE ENJOYING AN ORIENTATION CRUISE ON THE SWIFTBOAT WHEN CONE RECEIVED ORDERS TO MOVE IMMEDIATELY TO A NEW AREA FOR A HIGH PRIORITY MISSION. AS ENSIGN (b) (6) OF (b) (6) LATER RECALLED QUOTE AS DINNER TIME APPROACHED, THE SWIFTBOAT PUT INTO A SMALL COVE NEAR A FRIENDLY VIETNAMESE VILLAGE AND ANCHORED. A SMALL CHARCOAL GRILL WAS BROKEN OUT AND A DELICIOUS MEAL OF STEAK AND CHICKEN WAS PREPARED. WHILE WE WERE THERE THE VILLAGERS ROWED OUT IN THEIR BOATS AND EAGERLY FLOCKED AROUND THE BOAT AS THE BOAT CREW AND CONE PERSONNEL PASSED OUT CANDY, CIGARETTES, AND LEAFLETS. THE VILLAGERS WERE ALL QUITE HAPPY ABOUT THE WHOLE THING AND THE CREW REPORTED THAT THEY FREQUENTLY VISITED THIS VILLAGE AND THAT THEY HAD MADE MANY FRIENDS THERE. THE VILLAGERS HAD ORIGINALLY BEEN UNFRIENDLY BUT THROUGH THE CONTINUOUS HUMANITARIAN EFFORTS OF THE SW FTBOAT CREW, THEY ARE NOW SINCERE FRIENDS AND ARE VERY COOPERATIVE. OUR MEAL WAS CUT SHORT BY A RADIO MESSAGE INDICATING THAT CONE WAS MOVING OUT OF THE BAY AND THAT OUR PRESENCE ON BOARD WAS REQUIRED. ALTHOUGH THE BOAT DEPARTED THE VILLAGE WITHOUT FURTHER DELAY, BY THE TIME WE REACHED THE SHIP'S PREVIOUS POSITION, SHE HAD PUT TO SEA FOR AN IMPORTANT GUNFIRE SUPPORT MISSION UP THE COAST, AND IT WAS OBVIOUS THAT WE WERE GOING TO BE UNEXPECTED GUESTS ABOARD THE SWIFTBOAT FOR THE REST OF THE NIGHT UNQUOTE. THE SWIFTBOAT CONTINUED ON ITS ASSIGNED PATROL, GIVING THE CONE PERSONNEL AN OPPORTUNITY TO LEARN AT FIRST HAND MANY ASPECTS OF THE BOAT'S VARIOUS DUTIES. PETTY OFFICER SECOND CLASS (b) (6) (b) (6) OF (b) (6) REPORTED QUOTE WHILE WE WERE ABOARD, THE SWIFTBOAT CREW ANSWERED ALL OUR QUESTIONS AND GAVE US A GOOD DEMONSTRAT-

IGN OF THE BOAT AND ITS ARMAMENT. WE WERE EACH GIVEN A FULL MAGAZINE OF CARTRIDGES AND WE WERE ALLOWED TO FIRE THEM FROM AN M-16 AUTOMATIC RIFLE, AN EXPERIENCE NEW TO MOST OF US. WE STOPPED A NUMBER OF SMALL SOUTH VIETNAMESE FISHING VESSELS WHICH WE SEARCHED AND WHOSE PAPERS WE CHECKED. IN THIS WAY WE LEARNED FIRST HAND WHAT PROCEDURES WERE USED IN CHECKING THESE NUMEROUS SMALL BOATS. THIS IS ONE OF THE PRIMARY JOBS OF THE SWIFTBOATS IN THIS AREA, AND WHILE WE WERE ABOARD ABOUT 15 SMALL BOATS WERE CHECKED. BEING PART OF THE SWIFTBOAT TEAM ON AN ACTUAL PATROL WAS THE MOST OUTSTANDING EXPERIENCES THAT I HAVE EVER HAD, UNQUOTE. ANOTHER CREW MEMBER, PETTY OFFICER FIRST CLASS (b) (6) OF (b) (6)

(b) (6) THOUGHT OF HIS EXPERIENCES IN A DIFFERENT SENSE WHEN HE SAID QUOTE HAVING SPENT SOME TWENTY MONTHS ISLAND HOPPING FROM THE NEW HEBRIDES TO SAIPAN SOME YEARS AGO, THIS BROUGHT BACK SOME PLEASANT MEMORIES OF THE PAST, UNQUOTE. ONE PERSONNEL WERE DIVIDED UP INTO TWO SECTIONS FOR THE PURPOSE OF SLEEPING SINCE THERE WERE NOW 16 PEOPLE ABOARD A BOAT THAT DOES NOT HAVE ENOUGH ACCOMODATIONS FOR ITS OWN CREW OF 7. THE GUESTS WERE ALSO INSTRUCTED IN WHAT TO DO IN CASE THEY WERE FIRED UPON. PETTY OFFICER THIRD CLASS (b) (6) OF (b) (6)

(b) (6) RELATED QUOTE, ALTHOUGH WE WERE THRILLED AT THE IDEA OF AN ALL NIGHT SWIFTBOAT RIDE, WE REALIZED THAT OUR PRESENCE WAS A BURDEN ON THE CREW SO WE DECIDED TO RESPOND TO THEIR HOSPITALITY BY BEING AS HELPFUL AS POSSIBLE. WE HELPED IN COOKING THE MEALS, DID ALL THE CLEANING-UP AFTERWARD, HELPED SEARCH FISHING BOATS, AND ENDED BY BAILING SOME THREE HUNDRED GALLONS OF WATER FROM THE STERN OF THE SWIFTBOAT WHICH WAS THE RESULT OF A LEAKING EXHAUST PIPE UNQUOTE. PETTY OFFICER THIRD CLASS (b) (6)

(b) (6) OF (b) (6) REMEMBERED QUOTE ON THE MORNING OF THE 12TH, ONE WAS STILL NOT IN THE AREA SO THE SWIFTBOAT SKIPPER FINISHED HIS PATROL AND LEFT US OFF IN NHA TRANG AS HE HAD TO CONTINUE TO HIS HOME

BASE FURTHER SOUTH. ARRANGEMENTS WERE MADE FOR CONE TO PICK US UP THERE ON THE 13TH SO WE KNEW THAT WE HAD THE REST OF THE DAY TO SEE WHAT SHORE DUTY IN VIETNAM WAS LIKE UNQUOTE. THE CONE CREW NOW BECAME THE RESPONSIBILITY OF THE NAVY CONTINGENT AT NHA TRANG, AND AS THIRD CLASS PETTY OFFICER (b) (6) OF (b) (6) SAID QUOTE, THROUGHOUT OUR STAY WE WERE ALL SHOWN THE GREATEST HOSPITALITY BY THE NAVY CONTINGENT STATIONED THERE, UNQUOTE. THE "UNAUTHORIZED ABSENTEES", AS THE WANDERING CONE CREW MEMBERS WERE JOKINGLY REFERRED TO ABOARD SHIP, SPENT THE REMAINDER OF THE STAY IN NHA TRANG LEARNING ABOUT THE VIETNAMESE PEOPLE, ABOUT THE RECENT TET OFFENSIVE AND ABOUT THE ROLE BEING PLAYED BY THE U. S. FORCES IN VIETNAM. WHEN ASKED ABOUT THEIR EXPERIENCES, THIRD CLASS PETTY OFFICER (b) (6) OF (b) (6) SEAMAN (b) (6) OF (b) (6) AND SEAMAN (b) (6) OF (b) (6) SUMMED IT UP BY SAYING QUOTE, WE RETURNED ABOARD CONE HAVING LEARNED A GREAT DEAL ABOUT THE NAVY'S ROLE ASHORE IN VIETNAM AND OF COURSE ABOUT THE ROLE BEING PLAYED BY THE SWIFTBOATS. THERE IS NOT A MAN AMONG US WHO WILL FORGET HIS EXPERIENCES IN THESE PAST TWO DAYS, AND EACH OF US HAD GAINED A NEW APPRECIATION FOR THE JOB BEING DONE BY THE NAVY ASHORE IN VIETNAM, UNQUOTE.

16 MARCH 1968

NEWS RELEASE

EIGHTEEN STRUCTURES WERE DESTROYED AND AT LEAST TEN DAMAGED ON 16 MARCH 1968 AS THE RESULT OF SHORE BOMBARDMENT OF ENEMY POSITIONS THIRTY TWO MILES SOUTH-SOUTHEAST OF TAM QUAN BY THE ATLANTIC FLEET DESTROYER USS CONE (DD 866). MARINE AIR SPOTTER SAID OF CONE'S PERFORMANCE, QUOTE YOU HAVE HAD A REAL GOOD DAY. YOU ARE ONE OF THE FINEST UNITS I HAVE HAD THE PLEASURE OF WORKING WITH FOR A LONG TIME. HOPE TO HAVE THE PLEASURE AGAIN UNQUOTE.

CONE IS BUT ONE OF THE SEVEN CHARLESTON BASED DESTROYER SQUADRON FOUR UNITS PRESENTLY OPERATING OFF THE SHORES OF NORTH AND SOUTH VIETNAM IN SUPPORT OF U. S. AIMS IN SOUTHEAST ASIA. AS THE FLAGSHIP OF DESTROYER DIVISION FOUR TWO, CONE DEPARTED CHARLESTON, ON 15 NOVEMBER 1967 AND REPORTED FOR DUTY WITH THE SEVENTH FLEET IN JANUARY 1968.

18 MARCH 1968

NEWS RELEASE

TWO BROTHERS FROM (b) (6) RECENTLY HAD A REUNION ABOARD THE ATLANTIC FLEET DESTROYER USS CONE (DD 866) OPERATING IN THE WATERS OFF THE COAST OF SOUTH VIETNAM. IT ALL BEGAN ONE NIGHT WHEN SONAR TECHNICIAN THIRD CLASS (b) (6) WAS STANDING WATCH IN THE SHIP'S COMBAT INFORMATION CENTER DURING A GUNFIRE SUPPORT MISSION. QUOTE WHILE ON WATCH MARCH 12TH I WAS LOOKING AT A CHART OF THE AREA WE WERE OPERATING IN AND TO MY SURPRISE I FOUND THAT WE WERE ONLY ABOUT 65 MILES FROM WHERE MY BROTHER (b) (6) WAS STATIONED, UNQUOTE. ONCE INFORMED OF THE SITUATION, IMMEDIATE ACTION WAS TAKEN BY THE COMMAND TO ATTEMPT TO ARRANGE A VISIT BY THE ARMY MEMBER OF THE (b) (6) FAMILY, SPECIALIST FOURTH CLASS (b) (6). THE MARINE SPOTTER ASHORE WAS ASKED TO CONTACT (b) (6) OUTFIT, THE 54TH SIGNAL BATTALION. IN A FORTUNATE TWIST OF FATE, CONE WAS DIRECTED THE NEXT DAY TO PROCEED TO NHA TRANG TO EMBARK NINE CONE CREW MEMBERS WHO HAD SPENT TWO DAYS OPERATING WITH A U. S. NAVY SWIFTBOAT. NHA TRANG HAPPENED TO BE WHERE (b) (6) WAS STATIONED. WORD WAS RECEIVED THAT (b) (6) WAS INFORMED OF CONE'S PENDING VISIT AND THAT HE WOULD TRY TO MEET HER IF AT ALL POSSIBLE. (b) (6) LATER RECALLED QUOTE ON BOARD CONE I WAITED IN HOPEFUL ANTICIPATION FOR THE BOAT TO COME FROM THE BEACH. EVEN THOUGH IT WAS ONLY A SHORT WAIT IT SEEMED LIKE HOURS BEFORE I SPOTTED A PATROL BOAT HEADING FOR THE SHIP. AS IT GOT CLOSER I KNEW IT WAS THE ONE WE WERE EXPECTING SINCE I COULD SEE CONE SAILORS ABOARD. SOON I SPOTTED (b) (6). I CAN HONESTLY SAY IT WAS THE HAPPIEST MOMENT IN SEVERAL MONTHS. AS HE CAME ABOARD HE SAID JOKINGLY "IT A SHAME I HAVE TO COME 12,000 MILES TO SEE YOUR SHIP" UNQUOTE. ARRANGEMENTS WERE MADE BY CONE'S COMMANDING OFFICER, COMMANDER ARTHUR ODDAY OF (b) (6) FOR (b) (6) TO SAIL WITH THE SHIP FOR TWO

DAYS OF GUNFIRE SUPPORT MISSIONS. DURING THESE TWO DAYS, (b) (6) GOT A TASTE OF SHIPBOARD LIFE AND THE OPPORTUNITY TO LEARN SOMETHING OF THE EFFORTS OF THE NAVY IN VIETNAM AS (b) (6) LATER REMARKED QUOTE THERE WERE MANY HUMEROUS MOMENTS AND A LOT OF CATCHING UP ON NEWS FROM HOME. THERE WAS A SLIGHT COMMUNICATIONS PROBLEM BECAUSE OF SOME OF THE NAVAL TERMINOLOGY SUCH AS BULDHEAD VICE WALL, DECK VICE FLOOR, ETC., OF COURSE (b) (6) GOT SEA SICK AND WE HAD TO KID HIM A LITTLE ABOUT THAT. WHILE ON BOARD (b) (6) WAS ABLE TO WATCH OUR SHIP TAKE ON FUEL UNDERWAY FROM AN OILER. HE WAS ALSO FASCINATED AT THE SIZE OF OUR GUNS AND THE NOISE THEY MADE WHEN FIRED UNQUOTE. CONE RECEIVED ORDERS TO STEAM NORTH SO DAVID'S STAY ON BOARD CAME TO AN END ON THE NIGHT OF 15 MARCH WHEN THE SHIP PUT HIM OFF ON A PATROL BOAT RETURNING TO NHA TRANG. HE REPORTED TO COMMANDER CODAY THAT HIS STAY ON BOARD WAS AN EXPERIENCE HE WOULD NEVER FORGET BUT THAT HE STILL PREFERRED DRY LAND.

(b) (6) AND (b) (6) ARE THE SONS OF MR. AND MRS. (b) (6) OF

(b) (6) CONE DEPARTED HER SECOND TOUR ON THE GUNLINE ON 17 MARCH 1968 WITH ALL HANDS ENJOYING THE SATISFACTION OF READING A MESSAGE FROM THE MARINE SPOTTER ASHORE QUOTE YOU ARE THE BEST SHOOTING UNIT THAT I HAVE EVER WORKED WITH. I REALLY HOPE TO SEE YOU COME BACK AGAIN UNQUOTE. (b) (6) IS CERTAIN HIS BROTHER WOULD AGREE.

NEWS RELEASE

AT DAWN ON 23 APRIL 1968, AN ATLANTIC FLEET DESTROYER, IN SUPPORT OF U. S. MARINE UNITS IN QUANG TRI PROVINCE, WAS ASSIGNED THE MISSION OF BOMBARDING A VIET CONG STRONGHOLD IN PREPARATION FOR A MARINE SWEEP THROUGH THE AREA. REQUESTED TO FIRE INTO A TARGET AREA AT 0600, PLANS WERE DRAWN BY LT (b) (6) OF (b) (6), THE WEAPONS OFFICER OF THIS CHARLESTON, SOUTH CAROLINA BASED DESTROYER, TO FIRE ONE ROUND EVERY MINUTE INTO THE AREA IN ORDER TO KEEP THE ENEMY FORCES PINNED DOWN. AT 0700, THE MARINE UNITS ENTERED THE AREA AND REPORTED INITIAL DAMAGE ASSESSMENT OF THREE BUNKERS DESTROYED AND THIRTEEN OTHER STRUCTURES DESTROYED OR DAMAGED. IN ONE OF THE DEMOLISHED BUNKERS, MARINE PERSONNEL DISCOVERED A WOUNDED ENEMY SOLDIER WHO WAS LEFT BEHIND BY HIS COMRADES. IT WAS READILY APPARENT THAT THE SHIP'S GUNFIRE HAD A DEMORALIZING EFFECT ON THE ENEMY TROOPS AS VIET CONG HELMETS AND PACKS WERE STREWN ABOUT THE AREA. IN ADDITION, NUMEROUS TRAILS OF BLOOD WERE DETECTED. THE MARINE CORPS SPOTTER, QUITE IMPRESSED BY THIS DISPLAY OF PRECISION NAVAL GUNFIRE, COMPLIMENTED THE SHIP FOR ITS QUOTE GOOD SHOOTIN UNQUOTE. AS THE MARINE UNITS PRESSED FURTHER INTO THE AREA, INTELLIGENCE REPORTS INDICATED THAT A COMPANY OF VIET CONG WERE ATTEMPTING AN ENCIRCLEMENT. AN AIR SPOTTER, FLYING DIRECTLY ABOVE THE SCENE OF ACTION, CALLED FOR THE SHIP TO DELIVER IMMEDIATE SUPPRESSION FIRE, AND ONCE AGAIN THE DESTROYER RAPIDLY RESPONDED. THE RESULTS OF THIS SUPPRESSION FIRE ARE NOT YET KNOWN. DURING THE AFTERNOON, WHILE THE SHIP STOOD OFF SHORE WAITING TO ASSIST THE MARINES IF NEEDED, SHE WAS APPROACHED BY ONE OF THE NAVY SWIFTBOATS WHICH OPERATED IN THE AREA. THE BOAT WAS HAVING DIFFICULTY WITH ITS RADAR AND REQUESTED TECHNICAL ASSISTANCE FROM THE SHIP. ELECTRONICS TECHNICIAN SECOND CLASS (b) (6) OF (b) (6)

(b) (6) AND ELECTRONICS TECHNICIAN THIRD CLASS (b) (6) OF (b) (6)

(b) (6) QUICKLY REPAIRED THE INOPERATIVE RADAR AND WERE REWARDED WITH A RIDE ON THE SWIFTBOAT. OBSERVING THIS, THE SWIFTBOAT CAPTAIN WAS SWAMPED WITH REQUESTS BY THE DESTROYERS PERSONNEL FOR INDOCTRINATION RIDES, SINCE MANY OF THEM WERE THINKING OF APPLYING FOR SWIFTBOAT DUTY. THE SWIFTBOAT CREW RESPONDED WITH PLEASURE AND DISPLAYED THE CAPABILITIES OF THE BOAT TO BOATSWAINS MATE THIRD CLASS
